LUMINA

Pasta Blanca / White Body

The trend of adding relief textures to walls in interior design led us to develop the **LUMINA** collection. This collection offers wall decorations that bring greater movement and prominence to the space.

This series is composed of *ten colours*, with two types of surfaces: *smooth and lineal relief*. Available in all surfaces and colours, in *gloss and matte* finishes, allowing great flexibility to combine with any material we use in the architectural design of any room.

Made of *white-body*, perfect for wall coverings, with an elongated, rectangular format of *6x24.6cm*. All the features of this collection provide great versatility and the ability to create endless creative combinations

La tendencia de añadir paredes con relieves en el diseño de interiores, nos ha llevado a desarrollar la colección **LUMINA**. Esta colección ofrece decoraciones en las paredes que brindan un mayor movimiento y protagonismo al espacio.

Esta serie está compuesta por *diez colores*, con dos tipos de superficie, *lisa y relieve RIVIA*. Disponible, para todas las superficies y colores, en acabado *brillo y mate*, lo que permite una gran flexibilidad para combinar con cualquier material que utilicemos en el diseño arquitectónico de cualquier estancia.

Fabricado en *Pasta Blanca*, perfecto para revestir paredes, con un formato alargado y rectangular de *6x24,6 cm*. Todas las características de esta colección aportan una gran versatilidad y capacidad de crear infinitas combinaciones creativas.

Der Trend zu reliefartigen Wänden in der Innenarchitektur hat uns zur Entwicklung der **LUMINA**-Kollektion inspiriert. Diese Kollektion bietet Wanddekorationen, die dem Raum mehr Bewegung und Präsenz verleihen.

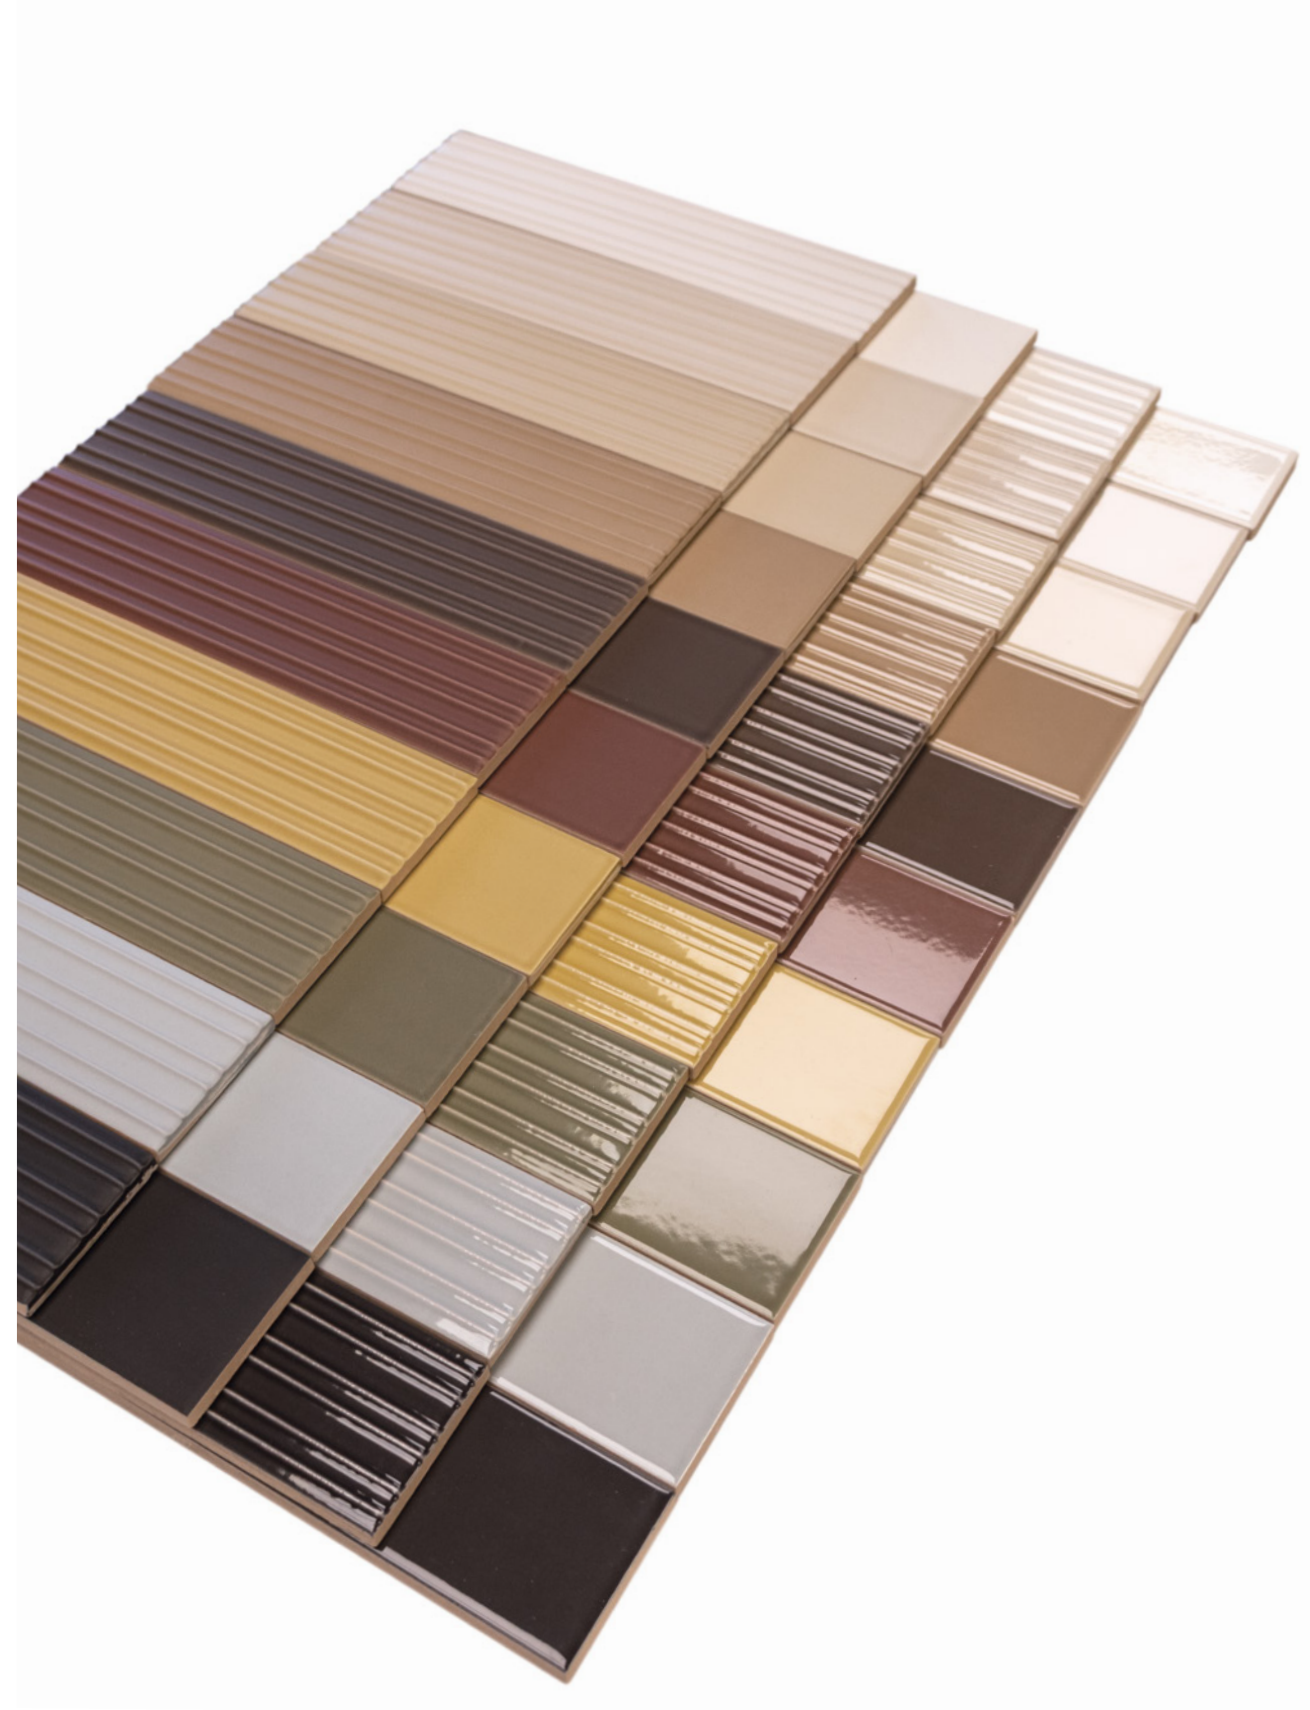

Die Serie umfasst *zehn Farben* und zwei Oberflächen: *glatt und RIVIA reliefiert*. Erhältlich in allen Oberflächen und Farben, in *glänzender und matter* Ausführung, bietet sie große Flexibilität bei der Kombination mit allen Materialien, die wir in der Raumgestaltung verwenden.

Hergestellt aus *weißscherbiger Keramik*, perfekt für Wandverkleidungen, mit einem länglichen, rechteckigen Format von *6 x 24,6 cm*. Alle Merkmale dieser Kollektion bieten große Vielseitigkeit und die Möglichkeit, endlose kreative Kombinationen zu schaffen.

La tendance à ajouter des murs gaufrés dans la décoration d'intérieur nous a amenés à développer la collection **LUMINA**, qui propose des décorations murales qui donnent plus de mouvement et de relief à l'espace.

Cette série est composée de *dix couleurs*, avec deux types de surface, *lisse et gaufrée RIVIA*. Disponibles, pour toutes les surfaces et couleurs, en finition *brillante et mate*, ce qui permet une grande flexibilité pour se combiner avec n'importe quel matériau utilisé dans la conception architecturale de n'importe quelle pièce.

Fabriqué en *pâte blanche*, parfait pour recouvrir les murs, avec un format allongé et rectangulaire de *6x24,6 cm*. Toutes les caractéristiques de cette collection lui confèrent une grande polyvalence et la capacité de créer des combinaisons créatives infinies.
