

PETRA

vibrazioni materiche di trame leggere

tactile vibrations of delicate patterns

Da un materiale antico, l'ispirazione per superfici contemporanee sviluppate su colori neutri, in armonia con una tendenza di gusto nordico. La trama garzata conferisce alla collezione Petra un sapore autentico e originale, di grande impatto visivo.

From an age-old material comes the inspiration for contemporary surfaces developed with neutral colours, in harmony with Nordic trends. The gauzed pattern ensures the Petra collection has an authentic and original feel and strong visual impact.
