# FORMAE

Formae, evoluzione e sviluppo della collezione New Classic, con la quale si possono abbinare colori e finiture. Bicottura tradizionale da rivestimento con superficie lucida. Nata da una reinterpretazione della classica piastrella diamantata "stile metro" e arricchita da altre 2 superfici a rilievo. Adatta alla realizzazione di ambienti sia contemporanei che classici.

*Formae, an evolution and development of the New Classic collection, with which colours and trims can be combined.*

*Double fired wall tile in a glossy finish. Inspired by the popular chamfered Metro tile and complemented by 2 relief decors.*

*Good for both classic and contemporary interiors.*
